## KEY DATES

- Early Bird Registration Deadline: 31 December 2009
- Closing Date for Scientific Poster Abstracts: 31 December 2009
- Closing Date for Discussion Cases: 31 December 2009
- Notification of Poster Acceptance: 15 January 2010
- Notification of Fellowships: 12 February 2010
- Standard Registration Deadline: 12 March 2010
- Closing Date for Registration: 26 March 2010

## CPD POINTS

The RANZCR will award CPD points for the entire programme. Refer to the website for update.
Welcome

The Australian & New Zealand Society of Neuroradiology (ANZSNR) is honoured to host the 9th Meeting of the Asian-Australasian Federation of Interventional and Therapeutic Neuroradiology (AAFITN) in Melbourne as a joint AAFITN/ANZSNR scientific congress.

The meeting will commence with AAFITN2010 Interventional component followed immediately by the 19th ANZSNR Diagnostic Neuroradiology meeting. There will be a combined diagnostic and interventional session on Stroke interposed between the 2 components.

Delegates can register separately for [a] the AAFITN2010 interventional component, [b] the ANZSNR diagnostic component, or [c] the combined meeting.

Rapid technological advances and innovations in neuro-intervention bring promises of safer and more effective treatment for our patients.

However, high level scientific evidence of the safety and efficacy of these new devices and techniques will require enormous effort and medium to long term time frames to achieve.

None of the above matters if the neuro-interventionalists are unable to attain the necessary practical knowledge and skills to perform the treatment.

Additionally, there are also competing neurosurgical treatments for these diseases. As the doctors caring for our patients, we need to be able to choose the most appropriate management.

The AAFITN2010 meeting brings together all these complex interactions with lectures on Advances and the Future, Focused Lectures on Current Evidence with input and debate from operative Neurosurgeons.

A key feature of this meeting will be the Interactive Sessions to promote practical knowledge. All delegates will be encouraged to submit cases for discussions at these sessions.

The 19th ANZSNR Diagnostic Neuroradiology meeting features a mini symposium approach to fuse clinical with practical imaging knowledge on Stroke, Epilepsy and Peripheral Nerve/Brachial Plexus diseases. There will be a dedicated ENT/Head & Neck Imaging component. This meeting will be equally beneficial to both neuroradiologists and general radiologists.

On behalf of the ANZSNR and AAFITN, we welcome you to Melbourne in 2010.

Winston Chong & Nick Trost

Venue: Crown Promenade Complex

The Crown Promenade Complex is located in Melbourne’s vibrant Southbank entertainment precinct and is close to the CBD, the Melbourne Exhibition Centre and the city’s most famous arts and sporting facilities.

The Crown Conference Centre features an abundance of natural light, modern styling and state of the art audiovisual technology. The conference centre, Crown hotels and the Crown Entertainment Complex are all linked by airbridge making it a unique facility. Scientific sessions will be held in the Promenade Room with adjacent space utilised for the technical exhibition and poster display.

Melbourne: The Host City

Melbourne, Victoria’s capital, sits on the Yarra River and around the shores of Port Phillip Bay. Lauded for its sense of style and elegance, Melbourne boasts glamorous festivals and events, Australia’s best shopping, a lively passion for eating and drinking, and a flourishing interest in the arts. Restored and preserved nineteenth-century architecture, built following the discovery of gold, provides a heady reminder of a prosperous age, while beautifully tended parks and gardens present a therapeutic respite from the pace of city life.

There is a wealth of diverse regional areas and attractions, from sweeping coastline and pristine beaches to national parks and forests teeming with wildlife to wineries, lakes and mountains offering skiing, climbing and hiking. Best of all, many of Victoria’s unique and varied landscapes are easily accessible as day trips from Melbourne.
COMMITTEES
(Refer to website for updates)

ANZSNR Scientific Committee
Winston Chong
Alan Coulthard
Patricia Desmond
Michael Holt
Mark Khangure
Peter Mitchell
Nicholas Trost
Jason Wenderoth

ANSNR Officers
Winston Chong, President
Mark Khangure, Immediate Past President
Peter Mitchell, Secretary-General/Treasurer

Convenors
Dr Winston Chong
Dr Nicholas Trost

International Advisory Board
& Scientific Committee
In Sup Choi
Marco Leonardi
Pedro Lylyk
Sirintara Pongpech
Georges Rodesch
Michael Mu Huo Teng
Karel terBrugge

AAFITN Officers
Michael Mu Huo Teng, President
Sirintara Pongpech, Vice President
Hongqi Zhang, Secretary-General
John Ching-Kwong Kwok, Treasurer

NATIONAL DELEGATES
(Refer to website for updates)

Australia:   W Chong, P Mitchell, N Trost
Hong Kong:   JCK Kwok
India:   AP Karapurkar
Korea:   DI Kim, DC Suh
New Zealand:   TBA
Philippines:   TBA
Taiwan:   CB Luo, MMH Teng
Vietnam:   TC Cuong, PM Thong

China:   L Feng, H Zhang
Indonesia:   P Sidipratomo
Japan:   N Kuwayama, S Miyachi
Malaysia:   J Mahadevan
Pakistan:   U Chaudhry
Singapore:   TBA
Thailand:   S Pongpech

CONFIRMED FACULTY
(Refer to website for updates)

International Faculty
Jan Casselman (Belgium)  In Sup Choi (USA)  Marco Leonardi (Italy)
Pedro Lylyk (Argentina)  Georges Rodesch (France)  Karel terBrugge (Canada)

AAFITN/ANZSNR Faculty
Grant Bateman (Australia)  Michael Bynevelt (Australia)  Robin Cassumbhoy (Australia)
Umar Chaudhry (Pakistan)  Winston Chong (Australia)  Mark Cook (Australia)
Tran Chi Cuong (Vietnam)  Patricia Desmond (Australia)  Ling Feng (China)
Lavier Gomes (Australia)  Wan Yuo Guo (Taiwan)  Anil Karapurkar (India)
Dong Ik Kim (Korea)  Srivatanakul Kittipong (Thailand/Japan)  Naoya Kuwayama (Japan)
Hon-Man Liu (Taiwan)  Jianmin Liu (China)  Chao Bao Luo (Taiwan)
Simone Mandelstom (Australia)  Zhong-rong Miao (China)  Peter Mitchell (Australia)
Shigeru Miyachi (Japan)  Geoff Parker (Australia)  Thanh Phan (Australia)
Sirintara Pongpech (Thailand)  Yi Qian (Australia/Japan)  Alasdair Robertson (Australia)

SCIENTIFIC POSTERS - CALL FOR ABSTRACTS

To accommodate the presentation of original scientific research, the Scientific Committee intends to make the scientific poster display a feature of the meeting. In particular, it is hoped that the provision of a number of Prizes and Fellowships will encourage young neuroscience trainees to submit a scientific poster for presentation at the meeting.

The method of presenting original scientific research will be in the form of scientific posters. One display board (1.2m wide x 2.4 m high) will be allocated per poster. Self adhesive velcro tabs are required for attaching the posters to the boards. Please advise if you require more than one display board.

Abstract Layout, Preparation and Submission
See Scientific Poster Abstract Form for details

The closing date for abstracts for scientific posters is 31 DECEMBER 2009

The selection of abstracts will be completed by 15 January 2010 and the authors will be notified immediately of the Scientific Committee’s decision.

SCIENTIFIC POSTERS - PRIZES & FELLOWSHIPS

PRIZES
The following Prizes will be made available to encourage young neuroscience trainees or specialists to submit a scientific poster for presentation at the AAFITN/ANZSNR meeting. Scientific posters submitted will be judged by the Scientific Committee on the basis of both academic merit and quality of presentation. Prize recipients will be announced during the meeting.

First Prize $US2,000
Second Prize $US1,500
Third Prize $US1,000
Fourth Prize $US500

FELLOWSHIPS
The Scientific Committee will provide five Travel Fellowships consisting of $US1,000 and free registration to enable young neuroscience trainees or specialists from outside Australia or New Zealand to attend the AAFITN/ANZSNR meeting.

Selection of Fellowship recipients will be based upon the academic merit of the abstract submitted for the scientific posters and will be awarded during the Gala Dinner on Friday 23 April 2010. Successful candidates will be notified before 12 February 2010.

DISCUSSION CASES
A key feature and substantial time of the AAFITN 2010 is devoted to the Interactive Sessions of this meeting which includes the joint Stroke component.

The main aim of these sessions is to acquire practical knowledge and advice from each other and from recognised experts in the field.

All delegates are encouraged to submit cases for live discussion during the Interactive Sessions.

These discussions will involve the delegate presenting the case for 3 minutes followed by 5 minutes discussion by an expert panel and delegates from the floor. It will be moderated by a chairperson and a co-moderator who are experts in the field.

Submitted cases can include interesting and rare examples, innovative treatments, difficult cases for advice from experts, errors, a small series and cases which will improve practical knowledge. See Cases for Discussion Submission form.

With permission from the delegates/authors, all submitted cases will be published on electronic media (CD) which will be issued to all registrants at the meeting and will also be downloaded onto multiple computers in the conference hall to facilitate further discussions amongst delegates and experts.

A scientific panel will select the submitted cases for discussion in the Interactive Sessions and the delegates/authors notified accordingly.

The closing date for discussion cases is 31 DECEMBER 2009
REGISTRATION INFORMATION

Registration fees have been set in Australian dollars and include the Opening Ceremony and Gala Dinners, morning and afternoon teas and lunches.

Payment of Registration
Application for registration must be made on the registration form provided.

Accommodation Information
Check-in time for all listed hotels is 2.00pm. If you plan an earlier arrival it may be necessary to pre-register the night before to guarantee immediate access to your hotel room.

How to Book Your Accommodation
- Please indicate your accommodation requirements on the registration form.
- As there is limited space available at each hotel, it is important that you book early.
- Accommodation will be allocated strictly in order of receipt of registration.
- Prior to 26 March 2010 all hotel reservations must be made via the Meeting Secretariat.
- After this date accommodation bookings will be the responsibility of the registrant.

Payment of Your Accommodation
- Please include total accommodation cost with your registration fee payment.
- All incidental charges must be paid in full directly to the hotel on departure.

Accommodation Deadlines
The hotels impose strict cut off dates and therefore any bookings made after 26 March 2010 will be the responsibility of the registrant.

Terminology
“Double” refers to a room with one double/king bed.
“Twin” refers to a room with two beds.
“Single” refers to a single occupancy room.

Cancellation/Amendments
Any cancellations/amendments to your original hotel booking must be forwarded in writing to the hotel. Any refunds will be at the discretion of the hotel management.

OPTIONAL HALF DAY AND DAY TOUR

A half day golf tour and full day tour of the Yarra Valley Wine region must be booked and paid with your registration.

Yarra Valley Wine Tour
$110 per person
Saturday 24 April 10am - 5pm
The Yarra Valley is Australia’s leading cool climate wine region and Victoria’s oldest wine region, with over 3,600 hectares under vine. From elegant sparklings, chardonnay and sauvignon blanc, to complex pinot noir and rich cabernet sauvignon, shiraz and more. Your coach driver will provide an informative commentary of the region as you visit the renowned Domaine Chandon where you can enjoy a flute of sparkling wine. Taste some of the regions other premium wines at Rochfords, Yering Station and Helens Hill. Lunch included.

Golf at The Dunes - Half Day - Maximum of 16 places available
$115 per person
Saturday 24 April 10am-6.30pm
The Dunes is one of very few links style courses in Australia. All the holes are played through and over rolling sand dunes on what is known as "Cups Country" of the Mornington Peninsula. The 18 hole Dunes Championship course is a challenging test of all standards of golfer, especially when subjected to the elements. Golf clubs may be hired from the Dunes at an additional cost. Bus transfers to and from the Crown Promenade included.

Please note: Tours will be cancelled and monies refunded if there are insufficient numbers
GENERAL INFORMATION

Airport Transfers
Melbourne’s domestic and international airport is located within 45 minutes of the central business district. Taxis are available at an approximate cost of $AUD80.00 one way, depending on traffic conditions. An airport shuttle service operates between most city hotels and both terminals at an approximate cost of $AUD16.00 one way. For further information visit www.melbourneairport.com.au

Banking
Banking hours in Melbourne are generally 9.30am-4.00pm Monday to Thursday and 9.30am-5.00pm on Fridays. There are numerous Automatic Teller Machines (ATMs) located throughout the city and international visitors should ensure their cards have been enabled for international ATM access by the card provider.

Car Parking
The Crown Complex offers two car parks with over 5,000 spaces. For further information regarding car parking rates and services go to the Crown website www.crowncasino.com.au and click on locate us at bottom of page.

Credit Cards
The most commonly used credit cards in Australia are American Express, Diners Club, Mastercard and Visa.

Disclaimer
The AAFITN/ANZSNR 2010 will not accept liability for any damages of any nature sustained by participants or their accompanying persons or loss or damage to their personal property as a result of AAFITN/ANZSNR 2010.

Electricity
Australia’s electricity voltage is 240 volts AC. Most of the large hotels have power outlets at 110 volts AC. For visitors bringing 110 volt electrical appliances, it is advisable to bring a small 110 volt transformer and a plug conversion kit.

No Smoking Policy
Smoking is banned in public buildings, hotels and restaurants throughout Australia, including the meeting venue.

People with Special Needs
Every effort is made to ensure people with special needs are catered for. Should you require any specific assistance, please include a notation with your registration form to enable us to make your stay in Melbourne a pleasant and comfortable experience.

Taxes
Australia has a Goods and Services Tax (GST) of 10%. Prices in Australia are shown and quoted as inclusive of GST. Travellers may be able to claim a refund for goods bought in Australia that are to be taken out of the country, including wine, which has a separate tax (WET). Conditions apply. Check when you arrive or contact the Australian Customs Service on 1300 363 263 or visit www.customs.gov.au.

Tipping
Tipping is not widespread in Australia, but for good service in a restaurant you might choose to tip about 10% of the bill.

Transport
Melbourne is an easy city in which to get around. Public transport provides access for visitors to most major areas in both the city and the suburbs. Taxis are also plentiful. For information on city buses, trams and train timetables visit www.metlinkmelbourne.com.au

Weather
The climate during April is generally mild with average temperatures ranging between 12 degrees C minimum & 21 degrees C maximum. www.bom.gov.au
